Head of School: Mr R Whitehead

OUR LEARNING JOURNEY

Year Two Newsletter – Spring 1

I need a hero!

Welcome back! We hope you have all had a wonderful holiday, filled with Christmas cheer! Once again the children astounded us last half term with their ability to soak up knowledge and use their imaginations. Their hard work resulted in a wonderful exhibition – thanks to those who were able to attend. We're sure you'll agree, they really have become space experts! We know that they'll apply themselves to this half term's topic with the same enthusiasm and lust for learning – we can't wait!

Mathematics

This half term we are learning about multiplication and division; these are two new concepts for the children but we know they'll love learning about something completely different! We'll also be learning about statistics and geometry (shape).

Important Dates

Thursday 11th January – FOSPS Panto 4pm & 6:30pm

Friday 2nd February – FOSPS family disco

Friday 2nd February – 'I need a hero' bun sale.

PE

PE will be on a Monday (outdoor) and Tuesday afternoon (indoor). Children should come to school dressed in their school PE kits on both days- details of the school PE kit can be found on the website. Your support with this is hugely appreciated.

Bun Sale

Towards the end of the half term, the children will be turning into real heroes. They'll be nominating a charity of their choice and raising money by selling buns. More details to follow.

Thank you!

Thank you to you all for the Christmas cards and well wishes, it is a delight to work with such supportive parents.

Have you heard?

Your child may have informed you that Bob and Mr Cheeky, the treasured class toys, have been captured by an evil villain. The villain has been sending ransom notes to the children making demands. The children will be writing news reports and performing them over the next few weeks.

In the weeks to follow, the children will be writing persuasive letters and creating wanted posters. We'll be reading a number of superhero stories too!

Thank you for your continued support and for regularly reading with your child. Should you have any questions or queries please speak to a member of the Year Two team.
