

# Year Six Learning Log Task 1

We have been learning just about everything there is to know about our Victorian ancestors. Your task is to use your knowledge and apply your research skills to complete one of the tasks below. The choices are based on your ideas and suggestions and you will need to check with your adults at home before you decide.

## Option 1 Top Trumps

Create a set of Victorian Top Trumps. You will need to research famous Victorians (inventors, royalty and other significant people). Create a card for each.

## Option 2 Victorian Building Design

Build a 2D or 3D model of a famous Victorian building, paying attention to the features. You could look close to home at some of the buildings in Saltire we photographed. A virtual model is also an option.

## Option 3 Plan and host a Victorian afternoon tea party

Before you read on, make sure you ask your adult! Pop your apron on and bake a Victoria Sponge. You will need to buy and measure the ingredients using your maths skills. Research how Victorian afternoon tea was served and entertain some family or friends! Dress up appropriately! Record in your Learning Log with photos, invitations, menus, along with any recipes and methods. Include anything else you think of.

## Option 4 Design a Victorian Costume

Upcycle (or down-cycle) some old clothes to make into a costume for a fictitious Victorian.

Character (some examples could be Oliver Twist, Artful Dodger, Nancy, Scrooge, Frankenstein's monster, Alice in Wonderland etc.)

## Option 5 Your own creative idea

Had a great idea? Does it show your knowledge, creativity and research skills? Then we can't wait to see it.

You will need to return your completed task on or before Friday 3<sup>rd</sup> November (that's the week after the half term holiday).

We will be holding a Learning Log exhibition where you will present your creation to your class. Then everybody will be able to nominate three Logs to win our Creativity Crown Award! The winners will receive prizes. It could be you!

Best of luck! We can't wait to see your
