

## Year Three Newsletter Summer Two

Dear Year Three parents and carers,

We hope you all had a lovely break. We are so sad this is our last half term with the children, all of whom have been a genuine pleasure to teach. We are determined to make the most of our last half term together and therefore have a very exciting topic to end the year with, 'Vicious Vikings!'. As last half term was so short we will be continuing our 'Angry Earth' topic for 2 weeks. This is a very busy half term so we have listed the key dates for you.

As part of our Vicious Vikings topic, we will be developing our geography skills by learning about the countries of Europe. In history, we will be learning all about life in the Viking times and how different it is to life now.

We will be linking our English work to our theme by reading the text, *How to Train Your Dragon*. In maths we will be covering measurement of capacity, exploring shape and angles and we will be covering the topic of time. Your continued support with their learning of key maths skills is greatly appreciated. We will begin our new science topic looking at plants and pollination and will be continuing this by growing our own plants. In indoor PE lessons on Thursdays the children will be exploring medieval Viking dance, whilst in our outdoor PE lessons on Tuesdays we will be learning how to play rounders and developing our athletic skills.

We have been very pleased with the children's eagerness to further their learning at home. Please continue to hear your child read as much as possible and complete the fortnightly Learn by Heart maths and spelling targets.

### Diary Dates for Year Three:

Friday 7<sup>th</sup> June: Angry Earth bake sale

Monday 10<sup>th</sup> June: Trip to Hirst Wood Nature Reserve am (weather permitting)

Wednesday 12<sup>th</sup> June: Sports day – all are welcome
