

## Year Three Newsletter: Autumn 2 2020

We have had a wonderful first half term back and we are really pleased with how well the children have settled back in to school life.

We were really impressed last half term with the homework that was returned. The children produced some amazing Learning Logs – we look forward to seeing what they create this half term. We would like to remind you about the CGP home learning books that were sent home. These are to be used as extra homework throughout the year and in case of school closure. We would like these to be returned by **Monday 7<sup>th</sup> December** for us to look at the children's progress before returning these to you. We thank you for your ongoing support with your child's learning and remind you that we can be contacted on our email addresses that are listed at the bottom of this newsletter.

Our Learning Theme		Important Dates:	
		<b>17<sup>th</sup> November</b> – Times table zoom support session (still time to sign up <a href="#">here</a> ) <b>Thursday 17<sup>th</sup> December:</b> close for the Christmas holidays Any other important dates that you need will be communicated separately.	
Homework		Learning Log	PE Days
Learn by Heart spelling and maths targets will continue to be sent every 2 weeks. In addition, we expect children to be accessing Times Tables Rock Stars from home to support their learning of their times tables and division facts. These have been updated with the tables the children are working on.		Learning Logs will be issued next week. The children can pursue any area of interest regarding our topic. These are to be returned to school on <b>Monday 14<sup>th</sup> December.</b>	<b>Tuesday</b> – Indoor – Dance <b>Wednesday</b> – Outdoor – Cricket  Please ensure your child attends school on these days in full PE kit according to the school dress code.
Curriculum			
English		Maths	Science
This half term we will continue to read <i>The Iron Man</i> by Ted Hughes. We will be exploring plot, character and description whilst retelling the story using direct speech.		The children will continue looking at addition and subtraction – introducing the formal written method. We will then move onto multiplication and division. This half term we will start to learn the 3 times table.	This term we are studying magnets and forces. We will focus upon what magnets are and how they work, before exploring if all metals are magnetic.
Humanities		Art/DT	Computing
We will be recapping regions and counties of the UK.		We will learn how to print repeating patterns and also draw facial expressions.	This half term we will begin to look at computer programming and coding.
Other:			Year Three Team
PSHE: We will be discussing what makes us different and celebrating diversity in our communities. RE: We will explore the meaning of Christmas, if this has been lost and what Christmas means to them. Music: The children will learn the ukulele on a Friday afternoon with Mr Johnstone. They will learn basic chords and how to read basic musical notation.			Mr D Breeze – Daley Class Teacher Mrs S Morrow - Ennis Class Teacher Mrs Bagnall, Mr Gedney – Teaching assistants Mrs Wilson – HLTA
