Dear Parents and Carers,

## School Milk – Cool Milk

Saltaire Primary School have always made school milk available to children who requested it termly, within school, with payments being made via SCOPay. However, we have listened to your feedback and in order to allow more flexibility when ordering milk for your child, we have made the decision to join the milk scheme provided by Cool Milk.

This is available to all of our pupils and we would like to invite you to register your child before September 2021. School milk is free for our Reception children, and for Years 1-6 is available at a price of £0.22p per day.

Each child that registers with Cool Milk will receive a 189ml portion of semi-skimmed milk every day, delivered fresh and chilled to the classroom. Their school milk will not only provide them with essential nutrients, but as it is rehydrating and energy boosting, it also bridges the gap between breakfast and lunch to help children stay focused. For more information on how milk can benefit children visit [www.coolmilk.com/why-milk-is-great](http://www.coolmilk.com/why-milk-is-great)

If your child is entitled to Free School Meals (not Universal Free School Meals), they will also be entitled to free school milk. We will register your child with Cool Milk. You do not need to do anything. If your child is in receipt of Free Schools Meals and you do not wish for them to have free school milk, please inform the school office as soon as possible.

The new scheme will start from September 2021 and you can order and pay for your milk directly with Cool Milk. You must register first either online, or by completing a form available from the school office.

### How to register:

- Register and pay online at [www.coolmilk.com](http://www.coolmilk.com)
- You can pay Cool Milk either online, over the phone or at a local PayPoint in half-termly, termly or annual instalments.
- Please pay by a Tuesday at 5pm for your child's milk to start the following week. Please remember this only starts from September 2021.
