

## Year Six Newsletter: Autumn 2 2021

This half term is so full and promises to be incredibly informative and full of variety. Our topic continues to be **War and Peace** and we will be exploring both World War 1 and World War 2, with an emphasis on art and the creative curriculum. In English we will be studying the novel 'Letters from the Lighthouse' by Emma Caroll, an exciting story about two children who are evacuated during World War 2, writing recounts and learning about Kristallnacht in depth. In line with our theme, we will be examining the idea and concepts of peace, and what that means to us in modern day. We have an exciting workshop coming up which the Peace Museum of Bradford will be holding, and the Year 6 children will be selling poppies to the whole school, as part of this project. If you have any queries, please don't hesitate to contact us.

Mrs Noble and Miss Fletcher
