OUR LEARNING JOURNEY

9th July 2021

Dear Parents and Carers,

I'm writing to let you know about the graduation events we are planning to provide over the coming weeks. We're hoping that these will be able to continue as planned, taking into account current circumstances. Although the restrictions will lift on 19th July, we will continue to maintain social distancing measures for this event.

## Graduation Concert and Ceremony Wednesday 21st July

5:00pm - Johnson Class Performance

5:45pm - Turing Class Performance

6:30pm - Graduation Ceremony

The class performances will take place in the main hall - these will be live performances (rather than by video) and carefully managed so that social distancing can be maintained. Both classes will be in both performances but only one class' parents will watch each time. **We ask that only two people per family watch the concert performance.** If you have any issues with childcare for younger siblings, please let us know.

The graduation ceremony will then take place outside - we welcome parents to bring picnics and blankets along. Younger siblings are welcome to come along too. We ask that families continue to maintain a good distance from one another throughout the event.

Refreshments, including drinks and hotdogs, will be available outside, between 4:30 and 7:30.

## Visit to The Forbidden Corner Thursday 22nd July

Due to the isolation of Johnson class, we have managed to reschedule the visit to The Forbidden Corner to **Thursday 22nd July**. Please note that **both classes** will now attend on this date (not next Tuesday 13th as originally planned).

## Graduation Lunch Friday 23rd July

A special lunch will be prepared for Year 6 children on Friday 23rd July. Teachers will ask children next week to choose their menu for the day.

We hope that these events will provide a good opportunity to celebrate your child's time at Saltaire Primary School and look forward to looking back on their learning journey together. We believe we can do this safely by putting in place careful measures and by maintaining good social distancing throughout. We look forward to seeing you there.

Kind regards,

Rob Whitehead  
Headteacher
