

Year Three Newsletter: Summer 2 2021

We hope you all had a lovely break and enjoyed the Spring half term holiday. We are so sad that this is our last half term with the children, all of whom have been a genuine pleasure to teach. We are determined to make the most of our last half term together.

We have been very pleased with the children's eagerness to further their learning at home. Please continue to hear your child read as much as possible and complete the fortnightly Learn by Heart maths targets and spellings.
