

Year Five Newsletter: Summer 2 2022

We hope that you have had a lovely half term break and the children are returning to school well rested and ready for a fun packed final half term of Year 5.

We will be continuing with our Victorian topic and will explore the local geography, looking at the changes that have taken place since the Victorian era. We also have an exciting trip to the Ripon Workhouse museum which will be a fantastic opportunity for the children to experience the life of a Victorian child.

To contact us, email: rachelhayden@saltaireps.co.uk emilywalton@saltaireps.co.uk

Our Learning Theme Vile or Virtuous?		Important Dates:			
		30th June 2022 - Trip to Ripon Workhouse Museum 8th July Victorian assembly and Victorian Day 9th July (Saturday) School Fair 22nd July Last Day of Year 5			
Homework		Learning Log		PE Days	
Spelling and maths homework will continue to be sent every week on a Friday(once Learning Logs have been returned on 17th June). Please return homework books to school on a Friday morning. Spellings will be tested on a Friday morning. Feel free to access TT Rockstars for additional support with times tables which will help your child progress rapidly.		Learning Log tasks were sent out prior to the half term break and we look forward to seeing the children's hard work at our Learning Log exhibition on 17th June.		<u>Thursday</u> -Outdoor– cricket and athletics with Coach Ashley <u>Tuesday</u> – Indoor, gymnastics and dance. Please ensure your child comes in appropriate PE kit on both days and ensure it is in line with the school PE uniform.	
Curriculum					
English		Maths		Science and Theme	
This term we will start with the children composing their own piece of non-fiction writing in the style of a journal. We will continue to use our guided reading sessions to study a wide range of books and authors. Additionally, we are hoping to create and perform some performance poetry about our local area.		The children will study fractions, decimals and percentages this half term. There will be plenty of opportunities to consolidate aspects of arithmetic from Year Five, as well as a focus on new learning and key mathematical skills. This is also a great time to be logging on to TT Rockstars at home or any other activities that strengthen times tables knowledge.		This half term we will be studying animals including humans. We will look closely at the changes in humans as they develop to old age. The theme of the Victorians takes on a local history focus this half term, examining Titus Salt and his Saltaire legacy.	
Year Five Team				PSHE	
Mrs Hayden- Hawking class teacher Mrs Todd-Hawking Class Miss Taylor-Hawking Class		Miss Walton - Curie class teacher Miss Bell - Trainee Teacher (Curie Class) Mr Feather - Curie Class Mr Sheperd - Curie Class		This half term we will be covering health and wellbeing.
